

Undergraduate Application for Admission to the Major

Department of Mechanical and Aerospace Engineering

The admission policy and minimum requirements are:

- (a) complete at least one year/three quarters in residence at UCSD
- (b) complete all lower division requirements for the requested major
- (c) must have a minimum GPA of 2.5
- (d) students will be ranked based on overall UCSD GPA and admitted according to rank

As admission is based on available space, meeting these requirements does not guarantee admission. Students should be aware that applications will be evaluated based on academic excellence.
